War with England over the  
Huguenots.

By 1627

In the Thirty yrs war, after crushing victories over the Danes by the imperial armies under Tilly and Wallenstein, Ferdinand (Elected emperor in 1620) seemed ready to impose Habsburg rule on a unified German state. But then in 1630, Sweden entered the War and fortunes fluctuated until the BATTLE OF LÜTZEN (1632) inflicted

a grievous blow to the Protestant Cause.
